Black Dress Goods Department

For the approaching Spring trade. Meanwhile, we're house cleaning, as it were. That is, we're getting everything in readiness for the reception of the new stock that is now arriving daily. As might be expected, there's piles of short lengths, odds and ends, little lots, or special numbers that have been dropped in the new purchases, and so we've marked all goods coming under these various descriptions at figures so low that thrifty women will be glad to get a hold of as much as their means will allow. No undesirable weaves or styles are included in any of the lots offered, but changes in the markets and buying conditions have made several new departures imperative, hence our desire to make the clearance as complete as possible.

PAINFUL PERIODS NO MORE

MRS. GEORGE OSMUN, of Belvidere, Warren Co., N. J., writes: "Suffering as I had from backache, irregularities and backache for several years, a release from this suffering was a blessing. Oh! how I wish more suffering women would accept your kind offer and be relieved. There is no need for women to suffer. Mrs. Pinkham's advice and Lydia E. Pinkham's Vegetable Compound will relieve them."

Mrs. IDA PETERS, Milan, Tenn., writes: "DEAR MRS. PINKHAM—When I wrote to you the first time asking your advice I was a great sufferer. Menstruations were irregular, sometimes a week too soon and then a week or two late, and when they appeared were very profuse; great pain and tenderness in the bowels, pain in back and limbs, leucorrhoea all the time. I was weak and nervous and had no appetite. Burning and choking sensation in my throat. I received your reply and followed all your instructions and now I am cured. I owe my recovery all to Mrs. Pinkham's advice and her wonderful remedies."

ELLA E. BRENNER, East Rochester, Ohio, writes: "I have been thankful a thousand times since I wrote to you for what your Vegetable Compound has done for me. I followed your advice carefully and now I feel like a different person. My troubles were backache, headache, nervous tired feeling, painful menstruation and leucorrhoea. I took four bottles of Lydia E. Pinkham's Vegetable Compound, one box of Pills, one package of Sanative Wash and am now well."

Mrs. MAGGIE P. STINE, New Berlin, Pa., writes:

"I have suffered with terrible backache in the small of my back for about seven years, and could never get any relief. I tried several physicians, but found no help. I have now taken three bottles of Lydia E. Pinkham's Vegetable Compound, and feel like a different woman."

Mrs. H. A., 124 S. Cedar Street, Owosso, Mich., writes: "Nearly three years ago I wrote to you asking advice in regard to my health. I was so miserable, suffered from painful menstruation and backache, was nervous, dizzy and faint. I received such a kind letter from you, telling me just what to do. I followed your advice and I now am recommending Lydia E. Pinkham's Vegetable Compound. I thank God for this pain destroyer."

CONFIDENCE is capital; is the basis of all agreements; is truth personified. When one has confidence in anything the battle is half won, but lack of it imperils success from the beginning. It is but natural and right that religious teachers should inspire confidence. If they cannot be trusted and believed in, who can be? It is with this thought that the following paragraph is given to our readers from a clergyman well and favorably known: ASHAWAY, R. I., Feb. 25th, 1899. It is to me a duty as well as a pleasure to acknowledge that Warner's Safe Cure has, under God, been the means of preserving my life. Not only so, but other members of my family have been greatly benefited by a use of the same remedy and scores of men and women of my acquaintance have told me that they have been cured in like manner by a use of this marvelous medicine. It seems to act beneficially when all other remedies fail. I heartily endorse and recommend its use to all sufferers in need of a medicine for the kidneys. This testimonial is sent unsolicited and in the only hope that it will do good. (REV.) C. JAMES DUBLONG. Medical advice free. Address Warner's Safe Cure Co., Rochester, N. Y.
